

EUROCEMENT group awards KHD contract for new cement plant in Stavropol / Russia

Moscow / Cologne, April 30, 2012 – Leading Russian cement producer EUROCEMENT placed an order for more than € 80 million with KHD for a new cement plant to be built in Stavropol, Russia. The Moscow-based EUROCEMENT group is among the top ten cement producing companies in the world.

The contract between Stavropolsky Zavod Stroitelnih Materialov, a member of the EUROCEMENT group, and ZAB Zementanlagenbau GmbH Dessau, a subsidiary of KHD Humboldt Wedag International AG, is for a new cement plant with an annual output of 1.3 million tons.

KHD' scope will cover the EP supply of production equipment, starting from raw material crushing all the way up to cement loading / packing. KHD will also supply automation and control equipment for the new production line. In addition, the companies concluded a separate contract for erection and commissioning supervision services, which is part of the total order volume.

The project will be booked as order intake immediately upon receipt of down payment.
