until six days before the General Meeting, i.e. by Wednesday, May 11, 2016, 24:00 CET at the latest.

Shareholders must provide evidence of their entitlement to attend the General Meeting of shareholders, to exercise voting rights and to present motions. A confirmation issued by the custodian financial institution in written form (Section 126b German Civil Code) either in German or in English is required as proof of share ownership. The confirmation has to refer to the beginning of the 21st day prior to the General Meeting, i.e. to Wednesday, April 27, 2016 (00:00 CET) (Record Date) and to be received by the Company at the aforementioned address by Wednesday, May 11, 2016, 24:00 CET, at the latest.

In case of doubt as to the accuracy or authenticity of the proof of entitlement, the company reserves the right to request suitable further evidence. The Company may reject the shareholder, if this evidence is not provided or not in a suitable form.

After receipt of registration for the General Meeting and proof of share ownership, the shareholders shall receive the tickets for the General Meeting. We kindly ask the shareholders to register and provide proof of their share ownership in the Company as early as possible to ensure that the admission ticket is received in good time. Admission tickets facilitate the organization and do not incorporate additional participation conditions.

Significance of Record Date

The Record Date is the decisive date for the volume and the exercise of the right to attend and to vote at the General Meeting of shareholders. In relation to the Company, only those persons are deemed as shareholders who have proven their share ownership until the Record Date and only those are entitled to attend the General Meeting and to exercise their voting right. Changes in shareholdings after the Record Date are disregarded. Thus, shareholders who acquire their shares only after the Record Date may not attend the General Meeting. Shareholders who have registered in due form and have submitted proof of share ownership are entitled to attend the General Meeting and to exercise their voting rights, even if they sell their shares after the Record Date. The Record Date does not affect the right of the shareholder to sell shares, and it is not relevant for dividend entitlement.

Proxy voting

Shareholders may also appoint a proxy e.g. a bank, a shareholders' association or another person to exercise their voting right at the General Meeting. In such case, too, the shareholders must register in time by providing proof of their share ownership. A power of attorney has to be issued in writing (Section 126b German Civil Code), unless the following exceptions apply. For electronic transmission of the proof of the power of attorney, the Company provides the following fax number and email address to our shareholders:

FAX +49 221 6504-1209

Email: Hauptversammlung.KHD@KHD.com

If a shareholder authorizes more than one person, the Company shall be entitled to reject one or more of these persons according to Section 134 Paragraph 3, subsection 2 AktG.

According to the law and the Articles of Association there is no requirement of the written form for the authorization of a bank, a shareholders' association or any other equivalent institution or person pursuant to Section 135 AktG to act as a proxy. We would, however, like to point out that in such cases the institutions or persons to be authorized to act as a proxy might possibly request a specific form of the proxy, because pursuant to Section 135 AktG they are required to produce a verifiably proxy. If you would like to authorize a bank, a shareholders' association or any other equivalent institution or person pursuant to Section 135 AktG to act as a proxy, please discuss in due time the potential form of the power of attorney with such institutions or persons.

Proxy voting by proxies appointed by the Company

As a special service for our shareholders, who are unable to attend the General Meeting in person, general proxies have been appointed by the Company. These proxies are strictly bound by the instructions of each shareholder when exercising the voting right on behalf of their respective principals. Shareholders who wish to grant a power of attorney to the general proxy appointed by the Company before the General Meeting, need to register in on time and provide proof of their share ownership as previously noted. Together with the admission ticket, they will then receive further information on proxy voting and a form for the power of attorney and instructions for voting to the general proxy of the Company. The authorized proxy of the Company is strictly bound by individual instructions of the shareholder when exercising the voting right. The power of attorney cannot be exercised with respect to agenda items, for which no individual instruction has been given, which means that votes on such items will be treated as abstentions. The general proxy does not accept requests to speak or other motions.

Shareholders who wish to grant a power of attorney to the general proxy appointed by the Company are asked to please send these proxies including voting instructions by Wednesday, May 11, 2016, 24:00 CET via mail, fax or email to the following Company address:
